

NEW Remote Deposit Capture Installation

These steps need to be completed *after* the Ranger Flex setting updates and prior to making your first Remote Deposit with the new software.

1. Navigate to the Checks & Deposits option within Business Online and select **Deposit Check**

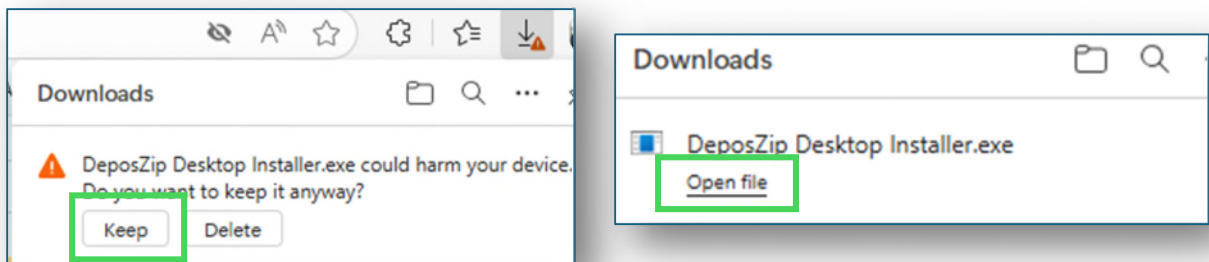

2. Once selected, you will be directed to the Remote Deposit Options page
 - a. For the first time accessing the software, you will select the **First Time User** option and click on "INSTALL REMOTE DEPOSIT APP"

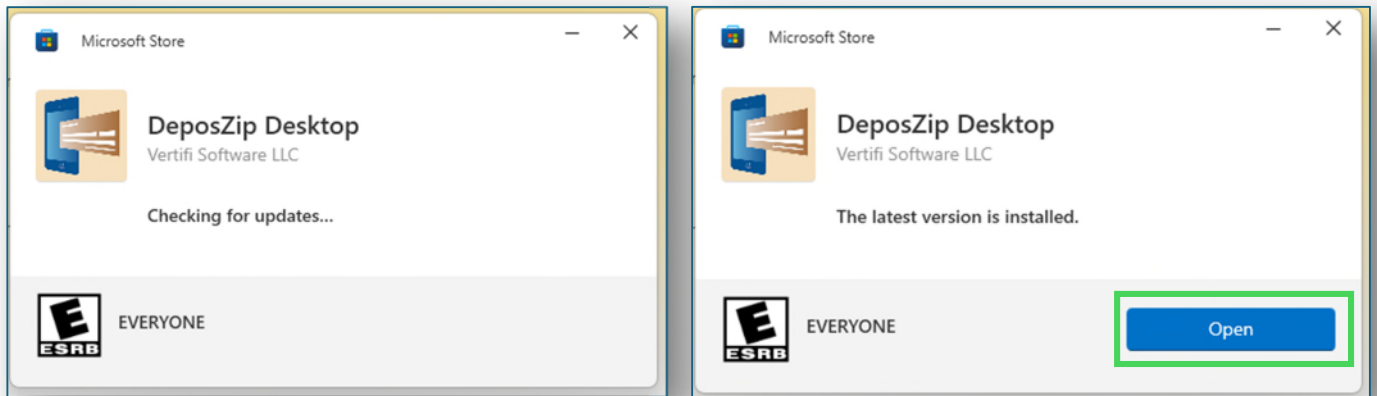

3. You will be then directed to the DeposZip download page where you will want to click on “Download”

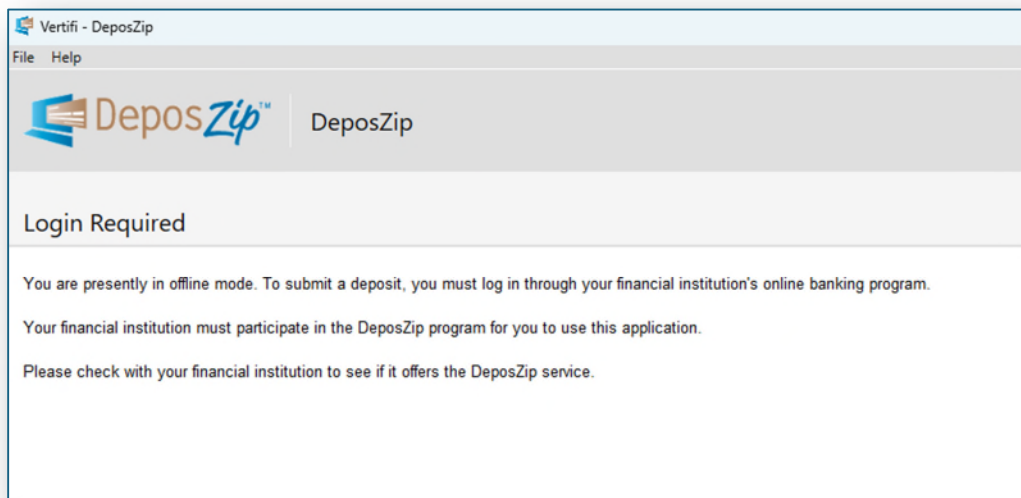

4. Depending on your browser settings, you may be prompted to “Keep” the DeposZip Installer – and then select “Open File” in the Downloads section of your browser window (Normally located in the top right corner)

5. The **DeposZip Desktop** software page will then open and go through the installation process including updating settings and checking for updates.
 - a. Once complete the message will display **“The latest version is installed.”**
 - b. You can then click **“Open”**

6. The DeposZip screen will then display and state a login is required.

7. You can close out of the DeposZip screen(s) including the download page.
8. It will direct you back to the REMOTE DEPOSIT Options page with the Kennebunk Savings logo
 - a. Now that you have installed the software, you will select the “OPEN REMOTE DEPOSIT APP” option
 - b. This will bring you into the Remote Deposit Capture program and you can begin creating deposits and scanning check items
